

Juan Mullerat is an urban designer who has worked with several highly respected design firms. A native of Spain, Mullerat studied Architecture in England and the US, completing dual Master degrees in Architecture and Urban Design at the University of Miami.

Projects Mullerat has worked on include a wide range of scales, from urban plazas, like the winning design for Hearst Tower Plaza in Charlotte NC, to large tracts like the acclaimed Park Lane Design and the 'Al Mawj' ('The Wave') Master Plan in Oman, currently under construction.
